

## THE BROADWAY SCHOOL PROJECT

# A Big Vision for Broadway: PLAY at the Center of Our Community

Here's the big news: in October, the Sunset Empire Park + Rec entered into negotiations on the Broadway School property. This has provided a period to conduct due diligence that includes intensive planning, community conversations, inspections and expert guidance, and reflection. We're pleased to share **three primary objectives identified** by SEPRD Leadership that could be accomplished through the purchase of the property.

### OBJECTIVE #1

**Increase Child Care & After-School Programs to Support Local Working Families**

### OBJECTIVE #2

**Expand Indoor Recreation Options for All**

### OBJECTIVE #3

**Drive Economic Growth by Scaling Up Sports Tourism**

## Come take part in designing the vision!

**Get informed** about the planning process and due diligence activities
